Chiropractic Informed Consent To Treat

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays, and any supportive therapies on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic indicated below and/or other licensed doctors of chiropractic and support staff who now or in the future treat me while employed by, working or associated with or serving as back-up for the doctor of chiropractic named below, including those working at the clinic or office listed below or any other office or clinic, whether signatories to this form or not.

I have had an opportunity to discuss with the doctor of chiropractic named below and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine and like all other health modalities, results are not guaranteed, and there is no promise of cure. I further understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including, but not limited to, fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interests.

I further understand there are treatment options available for my condition other than chiropractic procedures. These treatment options include, but not limited to, self-administered, over-the-counter analgesics and rest; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers; physical therapy; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and to secure other opinions if I have concerns as to the nature of my symptoms and treatment options.

EXPLANATION OF MEDICARE BENEFITS FOR CHIROPRACTIC SERVICES

DEDUCTIBLE:

Medicare requires that you pay a yearly deductible of \$203 towards your Part B medical expenses before they will begin paying for covered services. If you have seen other medical providers this year, all or part of your deductible may have been satisfied.

MEDICARE COVERAGE:

Medicare in a Chiropractic office only covers manual manipulation for the spine (commonly referred to as a spinal adjustment or CMT) Medicare pays 80% of the services and you are liable to 20% after deductible is met. If you have a secondary insurance they cover some of your out of pocket expense. All services and treatments (i.e. upper and lower extremity conditions) other than spinal manipulation are patient responsibility as outlined below.

EXAMINATIONS:

In order to determine the extent of your conditions, as well as the type of treatment you will need, the doctor will examine you prior to the initiation of treatment, and periodically thereafter. Medicare will not reimburse for examination charges; and therefore, payment must be made by you.

X-RAYS:

Medicare does not require X-rays in order to be reimbursed for chiropractic treatment. Dr. Youdeem may determine x-rays are necessary to assess your condition. If x-rays are taken or ordered by Dr. Youdeem, they are not covered by Medicare and therefore you are fully liable for the charges for x-rays.

PHYSICAL MEDICINE, SUPPLEMENTS, AND SUPPORTS

During the course of your treatment in this office, the doctor may determine that certain physical therapy modalities (Ultrasound, Muscle Stimulation, Cold laser therapy, massage etc.) vitamin supplements or orthopedic support may be necessary to assist in the treatment of your condition. The costs associated for these modalities are between \$10 and \$35. Medicare will not reimburse for any of these services, and therefore, payment must be made by you.

I understand that although the Chiropractic services listed above may be required for treatment of my condition, these charges are not covered by Medicare and I will personally responsible for payment of these charges.
